Worship Theme

We thought about the sad part of the Easter story. Jesus predicted it. It is a story of betrayal, sadness and injustice. This was the story of 'Good Friday'. This is the story Christians celebrate as part of Easter celebrations. We thought about the story from Jesus' mother perspective. The injustice shown through - why arrest and kill someone who has done nothing wrong? A person who has shown incredible love and goodness. We spoke about the idea of having hope when everything around you seems difficult. We completed a short meditation around experiencing the darkness through to the light and how we can encourage ourselves and those around us with positive and kind messages.

Speak to your child about...

What happened before Good Friday?

What happened on Good Friday?

Why was Jesus' mother so upset and confused?

Is Good Friday the end of the story?

How will you ensure that love and goodness shines through your actions today?

To start with, extra-curricular clubs will be available by class groups only to reduce mixing of class bubbles.
