### Governor Information

I have extensive experience in Human Resources and have worked collaboratively with leadership teams across a number of different organisations including Mercedes Benz and Capita, I currently work for BAE Systems as a HR Business Partner.

I have been a Governor at St Francis for the last 4 years, initially as a Parent governor which I felt privileged to have been elected to. I recently resigned as Parent Governor as my application to be a Foundation Governor was accepted and I am proud to also hold the position Chair of Governors. I will endeavour to prioritise my Governor activities and be a strong voice on the Governing Board, holding the school leadership to account to ensure the best outcomes for our children attending school, both now and in the future.

I have two sons who both attend St Francis.

#### Governor Information

I have worked in Education for over 20 years in a variety of roles including Pupil Wellbeing Co-ordinator, Education Safeguarding Officer and now own my own business providing safeguarding training and support for schools across the North West of England.

I am passionate about keeping children safe and happy and ensuring they have the best possible outcomes not only in childhood but as they enter adulthood.

I am a Governor at another primary school in Chorley and feel privileged to be able to be on the Board of Governors here at St Francis.

**Governor Information**

I've worked in the legal industry for around 20-years, I specialise in helping victims of accidents often with life changing injuries. I'm currently studying with the eventual goal of being a Barrister. The youngest of my two children has recently started St. Francis and I was really pleased to be nominated as Parent Governor and am looking forward to getting involved and working with fellow governors and the wider school community.
