A full audit of necessary equipment has taken place with advice from our new curriculum provider and investment into the correct equipment has taken place.	Order has gone in to TTS, curriculum will be fully equipped and delivered to its maximum.	£1500	All PE lessons are delivered as planned for and resourced. Some equipment has found its way on to the playground so would possibly need looking at replacing.	All lessons are well equipped. Use Funda coach on inset 01/09 to audit condition of equipment and top up current resources.
We have a new and exciting curriculum provider, who are bringing with them a wealth of experience in the area of raising the profile of PE and making sure it is treated as a lesson where learning takes place and progress is measured from lesson to lesson, year group to year group.	Contract signed with Funda for day and after school provision.	£11100	The PE curriculum has been delivered but more importantly the children have been assessed against a series of statements that support each unit.	PE curriculum to remain the same. Deep dived by Ofsted and positive feedback given. Assessment has become a real strength.
Installation of outdoor equipment and an increased focus on outdoor, quality play – encouraging the children to be active and live healthy, active lives.	Working in conjunction with OPAL.	£6146	The OPAL areas are taking shape and are being accessed by the children daily. Behaviour incidents are reducing. To increase subject knowledge and put a rota together for team-teaching alongside a specialist	CPD sessions (two afternoons a week) delivered by SportsCool to upskill the teaching staff with regards to the quality of PE teaching, based on the Funda curriculum. Included within the Funda budget in Key Indicator 2.	£n/a	Coach Josh has taught lessons in all classes alongside all teachers this year. This has been beneficial to both as Coach Josh has come from a coaching background rather than a teaching one.	Rota to remain same, feedback from class teachers should be taken in a more detailed manner to show CPD is being received in the correct way.
To improve the assessment of PE using the Funda system and recording of GDS examples via staff iPads.	Included in the Funda package, children are assessed on a lesson by lesson basis and their progress can be monitored against the curriculum progression map.	£n/a	Children have been assessed half-termly and it is visible that they have been assessed against different criteria per unit. Very rigorous.	Assessment to remain the same, Funda's methodology to remain.

To be organised and resourced by subject lead, using equipment already in school.	£0	Scheduled for Friday 23 <sup>rd</sup> June 2023. It will be a blend of competitive and participation.	A real success story where families feel part of the day. Elements of inclusion for all and competition make it feel like a truly inclusive event.
To develop children’s understanding of the importance of a healthy balanced diet supporting overall good physical and mental health	Organise x2 cooking sessions per year group	£2,400	All classes have been educated by specialist Carrie-Ann from Cookstars and have been advised on healthy options.	Get teacher feedback on the session but they really do fulfil a need for our DT curriculum. Always have an element of healthy eating to them, which serves a purpose for the PE knowledge.

A lot seems to be offered at the start of the year in terms of coaching or staff development, but is rarely heard of again.</p> <p>The children love competing for and representing school.
