School Newsletter 29.04.24

School Vision: As a church school, we aspire to live life in all its fullness; Loving Faith. Loving People. Loving Learning. - following the footsteps of Jesus.

'I have come to give you life in all its fullness.' John 10:10

School Values: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.

Collective Worship - Our thinking!

We continued to speak about the value of friendship. Today, we focused on supporting one another.

Good and healthy friendships are a vital foundation for living a fulfilling life. Cultivating, developing, and sustaining friendships is not easy, especially as a child.

In today's story, the children heard about five friends and how they supported one another.

Our Bible verse connected to this halfterm's value is 1 Thessalonians 5:11, which says, 'Encourage one another and build each other up.'

It can be too easy to criticise and talk negatively, so we discussed the energy and time needed to support one another.

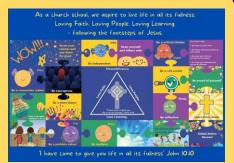

We discussed the need to be respectful and courteous to all; however, we also discussed who our friends are—the ones you can trust and who take the time to check in on you and support you when things are good and tough.

Talk to your child(ren) about...

Friendship is...
Finding things to do together
Relying on each other
Impossible on your own
Enjoying being together
Never selfish
Depending on someone else
Sharing hopes and dreams
Happiness and laughter
Including others

How can you live a fulfilling life this week?

Precious

We can listen to others carefully and use our voices to make sure everyone is included and treated fairly.

Year 4 Charity Event

Thank you to all of Year 4's parents/carers who came to support Year 4's charity. There was a real buzz in the air, and it was great for our children to develop their courageous advocacy. We hope there will be some coverage of this in the newspaper!

Parent/Carer Drop-In

Thank you to all of the parents/carers who visited their child's class to view work and chat with staff members. I hope you were able to view your child's progress and share pride in this with your child.

Cycling - Helmets

It is great to see so many children increasing their independence by cycling to school; however, public and staff members have raised concerns about safety in the community. Please ensure your child wears a helmet, and please ensure you continue to reinforce messages of stopping at roads to check for traffic. Information I have received indicates a few near-miss accidents in the community. We are looking into booking cycling safety lessons to support your messages given from home.
