Collective Worship - This week...

We have focussed on the value 'kindness' and the school rule 'treat each other as you want to be treated' We thought about what kindness is and what unkindness is. We thought about how we can show and spread kindness. We focussed on how our actions and our words can positively or negatively impact those around us and that we were each responsible for our choices. Sometimes, people can forget that words can hurt because they do not leave a physical mark. We focused on this picture and bible verses to promote discussion:

'Kind Words heal and help; cutting words wound and maim.'

Proverbs 15:4

'Whoever guards their mouth and tongue keeps their soul from troubles.'

Proverbs 21:23

Talk to your child(ren) about...

What do these bible verses mean to us, whether we are a Christian or not?

'Kind Words heal and help; cutting words wound and maim.' Proverbs 15:4

'Whoever guards their mouth and tongue keeps their soul from troubles.' Proverbs 21:23

'Telling lies about friends is like attacking them with clubs and swords and sharp arrows.' Proverbs 25:18

How could use kind words to support yours and other people's mental health?

What makes us unique?

Democracy

Danielle has used her voice to help educate others and stamp out prejudice. It is important that we listen so we can understand, learn about, and celebrate our differences.
