Collective Worship - This week...

What an amazing start to the new academic year. It was so good to be back together again this morning. Great to see such smiley children ready to Love Faith. Love People. Love Learning. I walked around school at 8:55 this morning and every class was on task! The behaviour was excellent! It almost looked like they had never been away. This morning during our 'Welcome Worship', we thought about different emotions and how we can feel different emotions at the same time. We looked at some characters from the Bible and saw that they felt lots of emotions. Christians believe that with God on their side, all things are possible and that we can give our worries to God. We spent time introducing each class team and learning new staff names, including who the lunchtime staff will be for each class.

Talk to your child(ren about...

Discuss with your child the following questions:

How do you feel? Can you explain how that feeling feels? Can you maybe say why you might feel like that?

What are you most looking forward to in this new academic year? What are you not looking forward to?

If you were having a struggle, who would you go to in school to ask for help?

Christians can turn to God, who do you turn to when you need help?

Looking at the new vision jigsaw, what do you see? What does it mean to you? Why is it important to us as a school?

Can toys help us celebrate our differences?

British Values

Mutual Respect & Tolerance

Every single person in our world is different. We can learn about and celebrate our differences, which can help us to respect and value one another.

Quick News:

New Vision Jigsaw: During our 'Welcome Worship' this morning, we launched our new Vision Jigsaw. It is thanks to children, staff, parent/carers and governor contributions that we have this final piece of work. We are VERY happy with the final outcome. The jigsaw pieces explore who we are and what we do to meet our vision of Love Faith. Love People. Love Learning and ensuring our children lead fulfilling lives ("I have come to give you life in all its fullness." John 10:10). Please take time to explore the different pieces of the jigsaw with your child(ren). Please talk to your children about the School Rules and our Values and why these are so important.
