

# Go for it!

They went up very slowly.

Ali and Tom went on the Big Dipper.

They came down very fast!

'That was great!' said Tom and Ali.

# Lost key

Dad has lost the key so  
we can't get in the house.

She laughs, but we don't  
think it's funny.

She sees us all standing there.

Mum walks round the corner.

Leave me alone!

His little brother followed him.

When Danny saw him, he was mad.

'Sometimes I want to be  
alone,' he said.

Danny went into the living room.

# Oops!

The bully ran right into Mr Hill.

Nathan ran away from him.

Mr Hill was cross with the bully.

A big bully ran after Nathan.

# It's good to have friends

After she went home,  
I was bored again.

We played together for ages.

I had nothing to do  
and I was bored.

Then my friend knocked on  
the door.

# Motorway shop

We stopped at the services.

I didn't because it cost  
too much money.

I wanted to buy a toy  
from the shop.

We were going to Gran's in the car.
