Collective Worship - This week...

We continued our Worship series this week on 'The Word'.

We looked at the bible verse from 1 Peter Chapter 5 verse 7, which says, 'Give God all of your worries because He cares for you.'

We spoke about how Christians believe they can have a relationship with God and this means that Christians can talk with God in prayer.

The Bible tells us that God cares about us. We spoke that this is so AMAZING that God cares about each and everyone of us. The children talked about how it must feel to have a faith where they can get help from God by casting their worries onto Him.

The children talked about how they can pray and how they can speak to safe adults.

Talk to your child(ren) about...

Discuss with your child the following questions:

It's Time to Talk.

What do you think about the Bible verse spoken about today?

How does the Bible verse make you feel?

What does the Bible verse make you think about?

Is there anyone you want to think about or pray for?

Discussion around our vision:

What does it mean to Love Faith?
How can you show Love Faith?

What does it mean to Love People?
How can you show Love People?

What does it mean to Love Learning?
How can you show Love Learning?

How does our vision link to the British Values?
